# Guest Rooms

## Bougainvillea

The Bougainvillea offer a cozy cocoon for your stay. Their intimate atmosphere and meticulous decoration create a feeling of well-being and nostalgia, ideal for a romantic getaway.

## Deluxe

Our Deluxe category embodies elegance and luxury. The spacious bathrooms add to the comfort of these rooms, creating an unparalleled relaxation experience.

## Loft

Our Loft rooms celebrate the generosity of Madagascar's nature. The precious wood ceiling creates a rustic and authentic atmosphere, making these rooms a haven of tranquility and harmony with nature.

## Familiale

The family rooms consist of 2 bedrooms, 2 bathrooms and 2 toilets for total privacy. Every detail of these rooms has been carefully thought out, using only high quality materials to create memorable family moments.

## Suite Palm

The Palm Suites embody a refined tropical lifestyle. The contemporary wooden furniture, crafted by local artisans, blends perfectly with Malagasy elegance.

Each element of these suites reflects tropical luxury, creating a soothing and exotic atmosphere for your stay.

## Suites oiseaux du paradis

The Bird of Paradise Suites, with 85 square meters of space, reflect the natural and serene beauty of the island.

The contemporary decor, Malagasy furniture, exotic fabrics, spacious terraces, and spectacular bathrooms create a luxurious and discreet experience.

## Suite Sakalava

Our Sakalava Suite is the pearl of our hotel and can comfortably accommodate a family of 4.

Every element of this suite has been carefully chosen for its quality, combining Malagasy decor, exotic fabrics, and the elegance of rosewood.

A Seaside Setting

Our restaurant is designed to be an extension of the surrounding nature.

Located outdoors under an elegant structure, it offers you a unique dining experience. You'll be surrounded by majestic trees, creating a magical atmosphere.

With breathtaking sea views and spectacular sunsets in the background, every meal becomes a memorable experience.

The Art of Mediterranean Cuisine

Our menu celebrates Mediterranean cuisine in its most generous expression, with a special focus on Italy.

Each dish highlights the freshness of our ingredients, balanced flavours, and the beauty of simplicity done well. Homemade pasta, seafood, seasonal vegetables, aromatic herbs and olive oil come together in a bright cuisine inspired by the sea and the sun.

At Alta Marea, we believe in the excellence of simple things: quality ingredients, precise cooking, and plates that invite you to travel—from Italy to the wider Mediterranean.

A Sunset paradise

Welcome to Il Tramonto, where the sunset comes to life.

Il Tramonto, which means "sunset" in Italian, is more than just a bar. It's a retreat where time seems to stand still, offering an unforgettable experience for all those who love relaxation by the sea.

Nestled next to the pool and bordered by the beach, Il Tramonto is more than just a bar: it's a complete sensory experience.

Your Sunset Refuge

Il Tramonto welcomes you with a relaxed lounge atmosphere. Let yourself be carried away by the spirit of relaxation that reigns here, all while enjoying the breathtaking sunset view.

Every evening, our bar becomes the privileged witness of the magic of twilight, creating an idyllic setting to savor exquisite cocktails, pleasant conversations, and unforgettable moments.

Hours  
Open Monday - Sunday

Snacks 12:00 - 19:00  
Bar 08:00 - 00:00

## The pool

Our pool, located facing the sea, is a haven of refreshment and relaxation. After a day of exploration or lounging on the beach, plunge into its crystalline waters or enjoy a refreshing cocktail at the nearby Il Tramonto bar. Witness the spectacular sunset from this idyllic space.

## A Sensory Journey

Aroma Terre & Spa is a true sanctuary for the senses, nestled in the heart of our tropical paradise. Our experienced team pampers you with beauty treatments and special massages, featuring local ingredients such as Alaotra red rice, Diego-Suarez salt, Ylang-Ylang honey, and basalt stones. Relax and let yourself be pampered in a serene setting.

## The Garden of Senses

Our lush garden, spanning over 35,000 square meters, is a true treasure. From baobabs to flowering flamboyants, mango trees, and ravalala, every corner of this garden tells a story. It's a place where you can stroll, relax, and connect with Malagasy nature while enjoying its tranquility and serenity.

## Conference room

The conference room at the Nosy Be Hotel & Spa \*\*\*\* offers a peaceful 100m<sup>2</sup> space surrounded by a tropical garden, using only high-quality equipment to ensure that you and your team are in an exceptional setting.

We are at your service for the success of your events: meetings, study days, seminars, cocktails, product presentations, general assemblies, lunches, dinners, or any other tailor-made event.
